### 3. New borrower-accepted commitments for business finance – by industry

Item 3 collects information on the value of new *borrower-accepted commitments* to *private and public sector businesses* for *business* purposes during the *reporting period*, ~~broken down~~ by the type of finance and the industry of the borrower.

**Reporting basis:** report item 3 as during the *reporting period*.

**SBR:** submit item 3 with accounting type of debit (assets).

Include all finance types in this item (i.e. *loans*, ~~*bill acceptances*~~, *finance leases* and ~~*commercial paper*~~*bill acceptances*).

For *bill acceptances*, exclude *borrower-accepted commitments* for *bill facilities*, but include individual *bill acceptances* as *borrower-accepted commitments* as they are *accepted*.

~~For *commercial paper*, a *borrower-accepted commitment* occurs when the *commercial paper* is purchased directly from the issuer. Exclude purchases of *commercial paper* on the secondary market from *borrower-accepted commitments*.~~

~~For *internal refinances*, report only the increase in the value of the *commitment* from the *credit limit* prior to refinancing.~~
